

Exhibit area facilities

Each exhibitor's area will have the following:

- Reserved area measuring approximately 10 feet by 10 feet
- One skirted table
- Two chairs
- Pipe and drape (sides 3' x 8'; backdrop 10' x 8'); exhibitors can use their own pop-ups and backdrops
- Electricity (120 VAC 60Hz); exhibitors must supply their own extension cord (one 20 ft. extension cord) and plug strips.
- Internet access (may be Wi-Fi and/or Ethernet depending upon area location)
- A floor plan of the exhibit area, showing the locations of all exhibitors, can be seen below.
